- Fundraising Committee:
  - Due to the pandemic we still are unable to fundraise unless it comes directly from the company and delivered directly to their homes. This may change in the spring when the stay at home order has been lifted.
  - Miria had asked if it were possible to have a fundraiser which parents can pick up items directly from Occasions.
  - Tanya shared Occasion make cakes like Cinnabon and sell it for \$14 for 6. We would make \$2. Or 6 cookies for \$5, we would make \$1.
  - Occasions use the same suppliers, but they can't assure that the products are nut free.
  - Tanya will ask if it's a possibility to have Occasion track the orders and have parents go there. Ms Davenport will look to see if this is ok with the board.
  - Victor also asked if we can use an online opportunity to try and fundraise-ie a coupon program- cash online. Anna shared this is a possibility.
  - Victor also enquired that fundraising be supported by using small business instead of larger ones.
  - Anna shared ideas of Tonino's pizza kits. Miria shared she could check out if they would do pizza order. Similar to what the board had done with Domino's.
  - Dominos fundraising we made \$150
  - Anna son's school is doing a fundraiser through Flipp
  - Miria suggested to reach out to small businesses to see if they would be interested in doing a fundraiser for our school.- Mac Kays, Tony and Jim's
